

WIRELESS CHARGING SPEAKER

*iPhone® device and Qi Charging Case not included

SIGNATURE SOUND SET FREE

Taking the cords out of the equation, the TDK Life on Record Wireless Charging Speaker delivers a new sonic experience that is truly unfettered. Designed with inductive charging capabilities, the speaker allows you to simply place your Qi compatible device on the speaker for a wireless charge. With its built-in Bluetooth® v2.1 technology with AAC, this speaker system also provides high quality near lossless audio streaming without a wired connection, freeing your device to be used when and how you want, not tied down and plugged in. Featuring a compact and portable design, the Wireless Charging Speaker is as visually compelling as it is sonically impressive, with four full-range speakers and a subwoofer built to fill any space with 360 degrees of TDK Signature Sound.
